Dear Parents,

Re : Measles, Chicken Pox, Shingles and Gastroenteritis

Please may we ask for your cooperation in a vitally important matter? One of our pupils is receiving medical treatment for cancer. This puts the pupil at serious risk if exposed to measles, chicken pox, shingles or gastroenteritis.

If you suspect your child has measles you should let the school know immediately.

Our pupil is also at risk from chicken pox and would need to be given an injection within three days of contact. Please let us know immediately if you suspect that your child has chicken pox. It is also very important that you let us know if anyone in your household has shingles.

Your own child is not at any risk whatsoever from this situation. However, the health and wellbeing of our pupil with cancer may be at serious risk. We depend on the co-operation of all parents and know we can rely on your help.

Many thanks,

Yours sincerely

Jade Halliday  
Director of Behaviour & Inclusion

Siobhan McNicholas  
First Aider

Executive Principal: Ms J M Nolan  
Head of Academy: Mr D A Buckley

Kirk Balk Academy is a Northern Education Trust Academy.
